# Find Some Frosty Friends!

Share your below zero experience! Find others who have done the following activities and put their name in the box. Try to fill the boxes with as many different names as possible!

Find someone who:

			
Has seen an iceberg	Has examined individual snowflakes	Can name an animal that migrates	Has used snowshoes
			
Can name a winter sport they enjoy	Is a chionophile (thrives in cold conditions)	Has visited the Columbia Icefields	Has visited the tundra
			
Has seen snow fleas	Would prefer to hibernate	Has made a snow cave	Has seen the aurora borealis
			
Can name an animal that changes colour in the winter	Has conducted a "snow or ice" experiment	Has been within the Arctic Circle	Knows what "permafrost" is
			
Has temporarily "migrated" in the winter	Has experienced temps of -50°C or lower	Has tracked an animal in the snow	Understands "global warming".
