

Intertidal Biodiversity Scavenger Hunt

- ☐ Tracks of animals in sand
- ☐ A hole made by an animal in the sand
- ☐ The animal living highest on the shore
- ☐ A crab moult
- ☐ Eggs of some kind
- ☐ A sign that an animal has been eaten
- ☐ An animal that lives in one shell
- ☐ An animal that lives in two shells
- ☐ An animal living on another animal
- ☐ Seaweed living on an animal
- ☐ A fish in a tidepool
- ☐ Something camouflaged
- ☐ Something slimy
- ☐ Something smelly
- ☐ Three different types of seaweed
(Bonus: Count all the different types of seaweed that you can find)
- ☐ An animal living under a rock (make sure to gently put the rock back where you found it!)
- ☐ Two different types of crabs
- ☐ Two different types of snails
- ☐ Three different kinds of animals clinging to rocks
- ☐ Three different kinds of animals living in a tidepool
- ☐ A bird hunting for food
- ☐ A treasure
- ☐ A mystery
- ☐ Something beautiful
- ☐ Something constructed by humans
- ☐ A piece (or many pieces) of litter or marine plastic debris (bring to your teacher)
- ☐ A pattern in the sky
- ☐ Something floating on the water
- ☐ 5 different coloured rocks/grains of sand
- ☐ An animal on the surface of the water

Intertidal Biodiversity Scavenger Hunt

Tracks of animals in sand	An animal living under a rock (make sure to gently put the rock back where you found it!)
A hole made by an animal in the sand	Two different types of crabs
The animal living highest on the shore	Two different types of snails
A crab moult	Three different kinds of animals clinging to rocks
Eggs of some kind	Three different kinds of animals living in a tidepool
A sign that an animal has been eaten	A bird hunting for food
An animal that lives in one shell	A treasure
An animal that lives in two shells	A mystery
An animal living on another animal	Something beautiful
Seaweed living on an animal	Something constructed by humans
A fish in a tidepool	A piece (or many pieces) of litter or marine plastic debris (bring to your teacher)
Something camouflaged	A pattern in the sky
Something slimy	Something floating on the water
Something smelly	5 different coloured rocks/grains of sand
Three different types of seaweed (Bonus: Count all the different types of seaweed that you can find)	An animal on the surface of the water
