

Signs of Spring Scavenger Hunt

<p>Before I show off my colours, my name is Bud</p> 	<p>I can tell if you like butter</p> 	<p>I am soft and cushiony after it rains</p> 
<p>I am an insect who pollinates flowers</p> 	<p>My flowers are called catkins</p> 	<p>I flutter in the breeze</p> 
<p>Listen to me sing</p> 	<p>I'm known by some as the Tree of Life</p> 	<p>My berry is the colour of salmon eggs</p> 
<p>When I'm young I resemble the head of a stringed instrument</p> 	<p>I return in spring after a long journey</p> 	<p>I am a plant that has come from far away</p>
